Arrangements

Prices listed on the website are subject to change since the trip dates and prices are often published more than a year in advance. Between that time and the time of the trip's actual departure, we are occasionally faced with exceptional cost increases or currency fluctuations that we cannot absorb. We do everything we can to keep our prices the same as published. Quoted tour prices include planning, handling and operational charges and are quoted on the current rate of exchange and tariffs as of Feb 2022. In the event of a marked increase in foreign exchange or tariff rates, costs are subject to change. Tour costs are based on group rates and no refunds will be given for unutilized services for any reason whatsoever.

Single Supplement

Accommodations are based on double occupancy. A single supplement (range: €450 pp - €650 pp) is paid by participants who specifically request single accommodations, subject to availability. If you are traveling alone and wish to share accommodations, we will try to match you with a roommate. However, if a roommate is not available, a single supplement charge will be added. These fees vary from trip to trip/are based on location.
